I. Definitions

"Application Guidelines" means Grantor's written instructions for appropriate display of the Licensed Articles.

"Articles" means the "acknowledgements" section of the printed program and on the website under the "donors" section for the weSTEM 2017 held by the graduate committee of Society of Woman Engineers (SWE) of Illinois

"Consent" means Grantor's written approval of the Licensed Articles in response to Requestor's Submission.

"Licensed Article(s)" means the Articles upon which the Licensed Right is applied/used.

"Licensed Right" means the Caterpillar Trademark set out in Exhibit A.

"Purpose" means recognition of Caterpillar as a participating donor to the SWE of Illinois.

"Recipients" means professional women in technology and engineering seeking information about GradSWE in Illinois and the weSTEM conference.

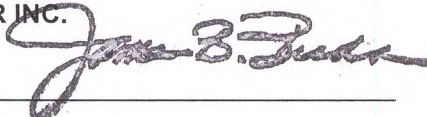

"Submission" means transmittal of a representative sample of the Licensed Article to Grantor.

"Term" means from December 31, 2016 to December 30, 2017.

Grantor grants permission to the Requestor to create and, subject to receiving Consent, display the Licensed Articles in accordance with the Application Guidelines to Recipients during the Term for the Purpose. Grantor will provide the Application Guidelines and an electronic file of the Licensed Right to Requestor.

Requestor will only display the Licensed Article(s) for which Consent has been granted as provided hereinabove. Requestor will cease use of the Licensed Right and the Licensed Articles upon expiration of the Term and will certify, upon Grantor's request, that such use has ceased and that Requestor has destroyed the electronic file of the Licensed Right. No other right or license is granted hereunder by way of implication, estoppel or otherwise.
